Dear Sir or Madam:

"You recently received a letter from U.S. EPA informing you that U.S. EPA has determined that you may be a potentially responsible party at the Chemical Recovery Systems Site in Elyria, Ohio. That general notice of liability was accompanied by an information request sent to you pursuant to Section 104(e) of the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) asking you for information. This letter told you to call Thomas C. Nash if you have legal questions regarding the letter you received. The letter erroneously gave his phone number as 312-353-0552. Please call Mr. Nash at 312-886-0552 if you have a legal question regarding your involvement with this site."

Sincerely Yours,

Deena Sheppard-Johnson
